"BLINKY" GARNER (drummer with JACK McVEA'S ALL STARS at the YORK CLUB) sez he expects a visit from old and good friend HARRY JAMES when he comes to town this next week. "BLINKY" — and others in the band — used to play with the Harry James orch. The McVEA combo, by the way, is still packing them in at the YORK. Las' Sat. nite was a killer. We crept in and had our share of good time . . . must mention DOROTHY BROIL'S novelty number "itty bitty girl", it's a lulu! Lots of customers are calling on SAMMY YATES to sing his own version of "STARDUST" . . . like nothing you ever heard before — and never the same words twice . . . he's really out of this world. Mr. G. got the word that you YORK-ites are going to be able to hear them until July 1 . . .they're so good they're being held over — 'cause they play "the stuff you like", sez JOHNNY BEIDLEMAN.

Overheard at the YORK CLUB . . . EDDIE CLAY (BAND OF TODAY maestro) saying to Johnny Beidleman, "Sure I like JACK McVEA'S ALL STARS — why else would I pay 75 cents for a glass of 7-Up. They're sensational —they'd HAVE to be!" . . . AL and HELEN GUTHRIDGE, handsome young couple that they are, and a friend who shall be nameless, hosted a party for JOHNNY KING on his 25th birthday. JOHNNY was persuaded to favor the crowd with a coupla songs — 'n did well by OLD MAN RIVER. We wanna give DOROTHY BROIL special kudos . . . she's real gone on that piano! In fact, JACK McVEA'S ALL STARS make with derned danceable music — best we've heard in a long time.
